

QUEEN ME

BY AMBER LYNN NATUSCH, AUTHOR OF URBAN FANTASY & PARANORMAL ROMANCE

The Moonlight Wraith may be the only one who can keep her alive...if he doesn't kill her himself.

He corners me in an alley. An assassin. A killer of killers. A usurped king. The Moonlight Wraith is hungry to regain his stolen throne, and he claims I have the magic he needs to secure his vengeance.

He must have lost his sanity along with his kingdom because the only true ability I possess is wielding my smart mouth at times I shouldn't. So I do what any drunk human trying to survive in a supernatural world might do—I throw up on his shoes.

Despite my attempts to refuse the sexy fae, I soon find myself sucked into his war—and lost in his penetrating silver stare. The way he looks at me makes it seem like he wants me for more than just revenge. But how could a powerful fae king fall for a lowly human outcast like me?

I'm no queen. And once he figures that out, my heart won't be the only casualty.
